Dear Angeline

This is to express my thanks to you for providing the 3 pieces by Lee Hock Moh, 2 by Choy Moo Kheong (including the superb "within the Bamboo Curtain") and 2 by Zee Mei Chuan for my home in Singapore. I think the range of your art is very impressive and it is nice to always have such a selection of good artists to choose from. You are also very efficient in the way you arrange for members of your staff to deliver and install the pieces purchased.

I should not be surprised of course by this given that you also provided a number of pieces to me when I first arrived in Singapore in 1985.

Wishing you the best of success with your business in the future.

Yours sincerely

Sam
