Hello Angeline,

IN APPRECIATION

It was almost a year back when I met you for advice to decorate our new building. It might be of interest for you to know that your recommended art pieces are still receiving admiration from guests and employees alike. The lone eagle that adorns the hallway outside our main conference room is always admired for its solitary but majestic presence. The three pieces of background art in our staff cafeteria are still admired for its fresh perspective of life.

Just wanted to take the time to thank you for your patience and enthusiasm in recommending these wonderful art pieces. It was my pleasure to work with you. I look forward to the day when we are ready to call upon your professional advice again. In the meantime, I would continue to recommend you and your company to any interested art buyer.

Best Regards,

Maurice Chua
